EDUCATION

- **NIIT University, Neemrana**

2020 - Present

B.Tech in Computer Science

CGPA - 7.76

- **Holy Cross School, Bokaro**

2018 - 2020

Senior Secondary Education

Percentage - 84%

SKILLS

- Python Programming (Intermediate)
- R Programming (Beginner)
- Power Bi (Intermediate)
- Tableau (Intermediate)
- MySQL (Intermediate)
- Machine Learning (Beginner)

EXPERIENCES

- **30 days of Cloud**
  Google (October 2021)
- **Campus Ambassador**
  Viral Fission (May 2021 - Nov 2022)

PROJECTS

Movie Recommendation System

August 2023 - Present

- Developed a Movie Recommendation System to take user input and recommend movies based on the similarity score calculated.
- The project involved exploring data, applying collaborative filtering algorithms, and evaluating the performance of the recommendation system.
- Demonstrated proficiency in **data analysis, machine learning(cosine similarity), and python programming**.

Sentiment Detection

August 2023 - Present

- Developed a Sentiment Detection project as part of a personal initiative to gain expertise in **natural language processing and machine learning.**
- The project aimed to classify text sentiments (positive, negative, or neutral) based on customer reviews.
- Learned about data preprocessing, feature extraction, model training, and evaluation.

Stock Price Prediction

August 2023 - Present

- Developed a Stock Price Prediction project to gain hands on experience in implementation of machine learning algorithms.
- The project aimed to perform exploring data, and conducted exploratory data analysis to gain insights into market trends.
- Got hands-on experience in **data preprocessing, data analysis, machine learning(Linear regression, SVM), and python programming.**

POR

- **GDSC** - Competitive Coding Lead (Python) (October 2022 - Present)
- Hostel Resident Associate   (Jan 2023 - Present)
- Distinguished Member of NU Poetic Society **Kavishaala** (2020 - Present)
